

Learner Support Service

What is Learner Support?

The KWETB Learner Support Service is a free, confidential counselling service, for learners registered on KWETB FET programmes, that provides you with emotional and practical support for concerns big or small.

This service is available 24/7, 365 days a year. Call and see how we can help: 1800 903 542 (freephone)

What is Spectrum.Life platform and mobile app?

Spectrum.Life will give you access to fitness plans, recipes, eLearning content, and health and wellbeing related rewards such as discounted Fitbit Fitness Trackers!

Online Web Portal:

Click 'New Here? Sign Up' if you have not registered previously.

Organisation Code: KWETB

Note: You must sign up with a KWETB email address. If you have signed up previously, your username is your email address.

Download the **Spectrum Life** app in the app store for access to hours of additional wellbeing content.
