12/10/2021	Member of the Public	I would like to make a formal request for access to records under the Freedom of Information Act, 2014. In accordance with Section 12 of the Act, I am requesting that you should send me copies of all email invitations for teachers to attend Religious Education in-services days, which were received during calendar year 2016. This relates to invitations received by KWETB itself, as well as invitations received by any and all schools under the purview of KWETB. For clarity, I do not require emails sent by schools in response to these invitations, which may discuss which teachers had planned to attend which events. My only interest is in the invitations themselves (including any information about the agenda for these events) which should not contain any personal information. I understand that the number of in-service days per annum is not large, such that the number of invitations to attend in-service days for only one subject during one calendar year should not be excessive.
