

Appendix 1: Role and Function of the Deputy Principal

CONTEXT ON ROLE AND FUNCTIONING OF THE DEPUTY PRINCIPAL

The main purpose of the school is to educate – to create an environment that is conducive to learning and the development of the pupil in a caring respectful manner in accordance with the ethos of the school. This is the main objective of the management of schools.

The role of the Deputy Principal is to assist the Principal in the day to day management of the school. Besides the discharge of specific administrative and management duties the Deputy Principal also exercises a leadership and motivational role in the direction of the school enterprise. Together the Principal and Deputy Principal operate as a team in the management of the school.

They must work in tandem to fulfil the aims and objectives of the school. That teamwork is also broadened to include the post holders to form part of the senior management team and of course the staff whose co-operation and commitment are also vital to the achievement of the goals of the school.

The priorities of school leadership should be to focus on the quality of teaching and learning in the school, the enrichment of the experience of school life for pupils and teachers and the provision of a broadly based curriculum including a wide and varied range of extra-curricular activities. This requires the active involvement of teachers and pupils in as many aspects of school life as is possible and a school emphasis on creating a meaningful sense of parental involvement and responsibility in local education.

Achieving these priorities requires a high level of pro-active leadership with emphasis on both staff and curriculum development and the creation of a strong collaborative culture within the school organisation. A firm but fair discipline policy coupled with an effective pastoral care program and the development of mutually supporting home-school and school-community links are essential ingredients in achieving these aims. Leadership in this context recognises and nurtures a motivated teaching staff as the most important asset in the school.
